

Joe and I would like to thank St. Peter's Lutheran School from the bottom of our hearts for the Christian education our daughter, Kaylie Petersen has received. Kaylie is graduating this year from 8<sup>th</sup> grade. She has been at St. Peter's since she was 2 ½ years old. I used to work in the office at the school when she was in preschool and loved watching her play out on the playground. Time does fly and it has taught us to take time to remember all the wonderful and even some of the not so wonderful times of her growing up. I will never forget the time she and I were in the backyard of our house and she began singing "Jesus Loves Me" at the age of three. She sang it so innocently and with true heart and feeling. I knew she believed every word she sang. It reminded me of the verse in the Bible that we all need to see Jesus through the eyes of a child. I had tears in my eyes. Through St. Peter's, she has become a sincere and loving young lady who knows her Lord and Savior, Jesus Christ. We will miss all the teachers and assistants at St. Peter's as Kaylie grew very close to many of them. I am sure she will be back to visit, if not someday work on the staff. Joe and I would like to extend a very heart felt "Thank You" to the entire staff at St. Peter's.
